LONGEST PUTT

Give a prize away to the player that sinks the longest putt. The best holes for this contest are either #1 or #18.

PUTTING OR CHIPPING CONTEST

Host a putting or chipping contest either before the tournament or during the round.
Pre-tournament putting or chipping contest: 1 or 3-hole Putting Course near Clubhouse.

PRO DRIVE

Great for fundraising! Solicit each team to pay a small fee so they can play from where a Pro normally hits his drive. Our staff will set up a separate set of tee boxes in the middle of the fairway at approximately 350 yards from the tee box, which is where each paying team hits their second shot from. It's as if Tiger hit a drive for the group! The best hole for this activity is #2, #15 or #17, a great eagle opportunity.

TRACKMAN

Using a TrackMan launch monitor we can measure distance and club head speed for a long drive event after the round. We will set up on a hole of your choice. At the completion of the round we will display in the clubhouse every players driver distance and clubhead speed. We will also email this to all participants. Makes for great lunch conversation and bragging rights. \$1.50 per player charge.

ELEVATE YOUR EVENT

TOURNAMENT PHOTOGRAPHY INCLUDING DRONE

Capture all the fun on tournament day from tee-off to awards. Sell Tournament Photography as a sponsorship and guests will receive a framed team photo with the sponsor's logo or we can help provide Drone photos.

GOLF CLINICS

Let our award winning instructors provide a custom clinic for your tournament. From special demonstrations focused on one part of the game to highly personalized instruction, our team will create a package that will set your players up for success on tournament day.

HOLE-IN-ONE CONTEST

A hole-in-one contest is a "must have" in any golf tournament. It surely adds drama and excitement. Let our team take this off your to-do list. No need to set up insurance here as we have cameras on our 5th hole with all kinds of different cash prize options. No need for volunteers and if someone gets a hole in one you will have a video of it forever.

HELICOPTER BALL DROP

This is one of the most unique ways to raise money for a charity. Sell 1000 golf balls at \$10 each and raise an additional \$10,000 for your cause. The helicopter comes out on event day and drops all sold golf balls. The ball closest to the pin wins a designated prize or receives a 50/50 split of the funds raised. Ball drop takes place on driving range green.

GREAT SIGNAGE

How you showcase sponsor logos on the golf course makes a big difference. We'll guide you toward vendors that do this right. Producing high quality signage makes sponsors feel like they made an investment, not a donation. We also offer on cart GPS sponsor signs. Eliminate the need to purchase sponsor signs as we digitally place them on the golf cars.
